

An amazing bargain in Seattle's Columbia City!

A great office suite with character- \$600/month

The office suite has 2 rooms, a private bathroom and storage closet. Office is located in the Southside Commons, a large shared building in Columbia City. A private door leading to the suite is right off of a main entrance to the building. Upon entering there is an open office area that could be an office or waiting room. There are a few steps leading to a 1/2 floor that has a generous storage closet with shelving and a private bath with vanity. Perks include: large windows, new paint, air conditioning, parking on a first come, first serve basis in the parking lot (2 hour street parking is also readily available, as well as a large paid parking lot, just right next door) and access to the amazing shared kitchen in the basement!

The building houses two social justice organizations and a renowned photographer. The Southside Commons has a large auditorium that is rented to the public for events and meetings. The auditorium is on the same floor as this office suite, but the suite is self contained.

We want someone who will be happy in the space and fit in with all of us cool tenants as well. :) There's a short-term lease of 3-6 months to ensure it's a right fit. A longer lease can be established after that.

Just 2 blocks from the Columbia City Light Rail Station and 2 blocks from Columbia City restaurants and shops. In the Spring and Summer months, enjoy the Farmers Market right outside of your door!

We will be showing the space Monday (1/23) through Friday (1/27). Please email danisha@allianceforajustsociety.org to arrange a time for viewing.
